

Fraud Prevention Tips

Protect Yourself from Debit or Credit Card Fraud:

- Never write your PIN on your card.
- Promptly reconcile your statement and report any unauthorized charges.
- Report a lost or stolen card to Bank Mutual Customer Service at 1-800-261-6888.
- Never give your account number or PIN to someone who says they are a Bank Mutual employee. Bank Mutual has no reason to ask you for information it already has in its records.

If you receive such an inquiry, contact Bank Mutual Customer Service at 1-800-261-6888.
